Financial Officer

For Immediate Release

June, 2008

**Anthony L. Porro Now A Contributor  
To Real Estate Industry Publications**

Having made his mark as a realtor/broker and the author of “Before The Keys”, Anthony Porro has captured the attention of various editors in the industry. Consequently, invitations have been extended, some on a continuing basis, to Anthony to write articles on a wide range of topics for several publications.

After speaking to these editors and asking “why Anthony?”, the over-riding reason given is that “Anthony has his finger squarely on the problems created by these challenging times. That’s the easy part... he didn’t stop there. Anthony has sound answers and solutions to these problems...lessons to be learned”. When asked about his book, Anthony will tell you “the True Professional is taking care of buyers/sellers IS taking care of business”.

Look for his articles in the following publications: Scotsman Guide, October Residential issue, Mortgage Originator a Summit Business Publication October issue.
